

# EUROPE'S 'BEST VALUE' SOLAR ICEMAKERS – ON SALE FOR EASTER!

## **Maidaid-Halcyon's new ICE Icemakers offer 'best value' for the UK market!**

Ideal for café bars, restaurants and hotels, Maidaid's Halcyon Ice 25 icemaker, with a capacity of 24kg of ice daily and storage of 8kg, is on sale for the Easter period at £595 instead of £745 list price (includes delivery but not installation).

The Ice range includes six machines offering from 25kg up to 130 kg production per 24 hours.

The **ICE130**, for example, produces 130 kg of ice per 24 hours, with an extra-large 65kg storage bin. Other machines offer 25, 35, 45, 60 and 85 ice production per 24 hours, making the range suitable for the smallest bar and pub, up to large hotels and restaurants. Telephone 0845-130-8070 for latest prices.

The ICE range is manufactured in Europe using free solar energy. Clever design and the use of the latest technology ensures better ice production and storage than many more expensive icemakers.

**Maidaid-Halcyon offers a complete range of ice making equipment from ice cube machines, to granular and flake ice flakers and modular ice making and storage systems with capacities up to 1000kg per 24 hours.**
