## **TRAINING DAYS FOR ENGINEERS**

We can organise one day training course for engineers on request.

### **For companies:**

We can set up a one day course where your engineers will have the exclusive use of our training workshop.

### **For individual engineers:**

We will arrange a training course when we have a sufficient number of interested participants.

We are currently planning courses on:

### **Warewashing Icemakers**

If you are interested in participating please contact us or register on-line.
