Ancillaries	Part No.	Price £
Miniphos Scale Inhibitor This is an inexpensive way of reducing lime scale build up. The water molecules are coated with a small amount of silicate phosphate compound, which slows down scaling. When the marbles have dramatically reduced in size they must be replaced along with filter pads.	Q900400	75.00
Miniphos Refill Marble and Filter Pack	Q900401	20.00
Inline Filter Kit, (Ice 80 / 130) This is similar to the Miniphos but with greater capacity and doses Hexametaphosphate. These should be changed at approximately 4 to 6 month intervals or sooner (dependent on usage and water hardness). Supplied with quick release couplings.	F04100	104.00
Replacement Filter, (Ice 80 / 130)	F04000	60.00
Drain / Condensate pump Condensate pump for removal of evaporator condensation from air conditioning units or as a drain pump for icemakers where there is no access to a gravity drain. Pump spec, Head 4.3m, Flow 300 l/h, Sump 1.6 ltr.	Q904200	197.00
Universal Stand Tall, Adjustable W x D x H (suitable for smaller machines) Adjustable icemaker stand made from 20mm mild steel box section that has been black powder coated. Width and depth extendable from 460mm to 640mm. Width and depth can be reduced to 390mm by cutting cross braces. The standard height is 720mm but legs can be cut to reduce height.	Q902102	68.00
Budget Stand, Adjustable W x D x H (for Ice25 / Ice35 machines only) Adjustable icemaker stand made from mild steel box section that has been black powder coated. Width and depth as above. The Maximum height of these stands are 520mm.	Q902103	28.00
S / S Universal Stand, Adjustable W x D x H (suitable for smaller machines) Adjustable icemaker stand made from 20mm stainless steel box section. Width and depth as above. The Maximum height of these stands is 520mm but legs can be cut to reduce height.	Q902101	115.00
Universal Stand, Adjustable W x D x H (suitable for smaller machines) As above specification but made from 20mm mild steel box section that has been black powder coated. All stands come with adjustable feet for precise levelling. Supplied flat packed for self-assembly.	Q902100	55.00
